# Transfer Information to this Mac

Select a Mac, Time Machine backup, or other startup disk to transfer its information to this Mac.

John's MacBook Pro

Macintosh HD

Macintosh HD

 Looking for other sources...

Make sure that the other Mac, Time Capsule, or disk that you are transferring from is connected to the same network or directly connected to this Mac.

When transferring from another Mac, open the Migration Assistant app in the Utilities folder on that Mac and select "To another Mac".

Other Server...
